ICE TIMES/ ICE ALLOTTMENT

September Ice allotment was sent out. Apparently, we lost prime time ice which was used to schedule multiple games in one night ensuring we would be able to schedule referees and timekeepers.

Is there an option that we can get all ice including Fury ice to assist Coaches with scheduling and avoiding conflicts?

Convenors. Is there anything you would like to see happen regarding ice times or is there anything missing? Numbers may affect allotted times.

Is there ice available to pencil in a tournament. It is something we want to roll out because there is interest.

PATHWAY/PRE-SKATES

Is everything ready to roll? Do we need more volunteers? U18/U15 same ice-times. Pylons and Pucks are at the tournament center.

2023/2024 SEASON

- 1) Dressing Room policy? Is there something in writing? We cannot assume something is common sense. We can cut and paste a document together and add what is needed.
- 2) Draft Rules??
- 3) Goalie Incentives?? How to promote at U9 Level? Keep them going throughout years.
- 4) Parent Handouts – Is our message uniform across the board. Has everyone seen Larry's handout can we customize it?
- 5) What are we doing regarding U13 Numbers? We have plans for U18/U15?
- 6) Fury – awaiting to receive U7 budget/overview today; U13 awaiting goalie. Budgets at U15/U18 need some work. U13 Fury??

- 7) When can we start looking at letting others travel with our house league? May utilize this to expand U13 house options (Fort Frances/Nipigon etc.). Also, may assist with Utilizing available ice-times.
