# ABOUT THE ORGANIZATION

The Thunder Bay Queens are the Competitive Division of the Thunder Bay Women's Hockey Association.

The Queens are dedicated to a basic goal: providing the youth of Thunder Bay with the best possible hockey experience and building a better, stronger, community through hockey. The Queens delivers programs to over 125 athletes, between the ages of 9-22 years of age. Sponsorship plays a vital role in developing and sustaining our minor hockey program and sponsors are valued members of our team.

There is a mutual benefit to our partnership: you are helping us make our programs affordable and accessible to Thunder Bay youth and your organization will, in turn, have increased brand visibility with increased opportunities for brand awareness.

We offer a variety of sponsorship options and opportunities.

Each option is designed to provide creative brand recognition and is intended to fit within a corporate advertising budget. Please review these partnership options and opportunities. We are also open to new ideas—if you have an idea or promotion that is better suited to your marketing strategy, please let us know.

We would love to have you on our team. It truly is a great time to get in the game
